

ALFA Contributorship list

Scope

The present list recognizes all contributions (past and present) to the creation, maintenance and scientific exploitation of the ALFA Cohort. As such, it acknowledges the roles of all BBRC personnel that contributed to the conceptualization of the cohort as well as the recruitment of all participants, data collection, sample processing and analysis, downstream data curation, creation of datasets for the use of researchers, project management, funding acquisition, among other roles.

Roles have been assigned to contributors according to the official Contributor Role Taxonomy (CRediT) criteria. More information on CRediT can be found in the following link: <https://credit.niso.org/>.

Please note this list has been sorted alphabetically by First Name. As a general rule, individuals who contributed to the ALFA study for at least one year have been considered. The CRediT roles usually attributed to authors such as Writing – original draft and Writing – review & editing are not considered here.

Please send any correction related to misspelling of names, lack of appearance on the list, or requests for removal from the list to bbrcstudy@barcelonabeta.org. All requests will be reviewed within a maximum of 30 days.

This list will be updated periodically.

Acknowledgements

The ALFA study would have not been possible if it weren't for the relentless contribution of all participants as well as their close relatives who selflessly decided to be a part of ALFA.
